# TEAM MEETING 10/21

---

21 OCTOBER 2021 / 3:30 PM / GOOGLE MEETS

## ATTENDEES

Keira, Will, Sayo, Shaya

## AGENDA

### Last Meeting Follow-up

1. Req report is done!
2. Peer Evals due Friday
3. Gitstats, 7/8 issues done
  - a. Is login ready for merge to dev?
  - b. PR to be created!

### New Business

- No git stats next week?? (it just says prof away for the week, no indication that there are git stats due?)
  - Probs not?
  - Ask tomorrow!
- How do we want to approach the coming issues?
  - I think the core is going to be the hardest part to split the work on since its pretty interconnected
  - After that we can each take a feature and work on those since they are disconnected
- Bootstrap
  - Tailwind?
  - Possibly easier to customize?

## NOTES

- Meeting time moved to 3:30
- **Chore** - Env Page
