Agenda

Last Meeting Follow-up

1. None

New Business

2. None

Notes

- Peer testing has been completed
- Team 0 - received feedback that UI quirks prevented clear messaging, but basic functionality is sound
- Team 1 - received feedback that UI was clear but there were issues related to the layout clipping other elements
- Team 2 - received feedback that work needs to be done to ensure clear messaging to the user
- For all teams, participants shared the sentiment that the feature set, while small, was indicative of the fact that were building a platform from scratch compared to other groups who had a larger foundation to work from

- All teams will share their peer testing reports in the discord for the clients to read
- Told the client we need to get more details about further feature implementations, agreed to supply the details for the process of ordering and receiving of test samples

Action Items

1. Have a great new year!
