

# Team Meeting

11 NOVEMBER 2021 / 03:30 AM / GOOGLE MEETS

## Attendees

Will, Sayo, Shaya, Keira

## Agenda

### New Business

1. PR - docker fix
  - Not working for Sayo (possibly other issue)
  - Shaya still to test
2. Peer Testing
  - 1 person run all user evals
    - Takes whichever projects they can get
  - 3 people split projects
3. Waiting on other things to merge PRs
4. CI testings - hosting docker container on github actions vs docker hub

## Action Items

1. Finish anything we can this week
2. Do only peer testing tickets next week
3. Pick back up on abandoned tickets after
4. Sign up for peer testing
