Client Meeting

Monday, 04.04.2022

—

Attendees

Our Team: Keira, Shaya, Will
Clients: Misu, Lukman (5 mins late)
Other Teams: Ramisa, Matt

Agenda

New Business

1. We are doing presentations of the different groups' final projects

    a. Team 0: peer testing tasks review + admin page, and inventory etc.

    b. Team 1: login, order history, create order, test type (is just id numerical not a test name), scheduled test time, lab worker sees all active orders, can register a new lab, view existing labs

        i. There was an error in the build during the demonstration

        ii. Date is wrong

        iii. Barcode missing on worker page

    c. Team 2: had some issues, and is not able to present

        i. Set up another meeting for tomorrow
