Client Meeting

Date

Oct - 08 - 2021

Attendee

1. Lukman
2. Shaya
3. Matt
4. Ramisa
5. Carter
6. Sayo

Agenda

Database

Matt has created a database and shared with all the teams and clients on Team discord.

Meeting time

Changed to Monday evening

 * This week we will meet on Tuesday due to the Thanksgiving holiday.

Security Issue

Use sample number (no direct identification)

not for human testing at this time

User story/ website

Client shared the website so that we can use it as a user story.

Websites might help us understand what clients have in their mind.

Summary

This is our clients' first time to get involved in software development. We continue to work on understanding what clients want us to build exactly. Database and sample website has been shared.
