Meeting With Prof

15 October 2021 / 8:05 AM / ZOOM

Attendees

All Team

Prof

Agenda

Presentations

1. Group evaluations
2. Feedback on our presentation

Client Meeting

3. Everyone says client has been disorganized, but we are all getting through it

Notes

- Can skip the presentation video that didn't work, but it worked for others
- Need rationale for testing strategy and more detail on continuous integration in requirements report
- Mentioned our progress on docker container
- One other group using Docker
- One other group has started their UI

Action Items

1. Requirements report - address professor's feedback
2. Start coding ASAP
