Last Meeting Follow-up

1. None

New Business

2.

Notes

- LMIS 0: env variables, styling, user stories, database
- LMIS Ramisa: database, frontend
- LMIS Matt: login/register pages; database hooks, research on password storages (HTTP send plaintext passwords is safe?! They are going to hash then send to HTTP); plain css forms for now; planning to do more styling now
    - Send client info in body not url
- Next steps - customer page
    - Very simple for now
    - Just have customer and employee don't make it more complicated
